Description:
Consent agenda

a) Minutes for September 12, 2018 Board meeting
b) Motions
*Motion 1 - The Board approves the compilation of all CoDA prayers for printing by CoRe.
Intent: to instruct CoRe to print this item
*Motion 2 - The Board moves to support, in writing, its previous verbal approval that the 2020 CSC/ICC be located in one of the three Canadian cities that expressed interest in hosting.
*Motion 3 - The Board moves to contract with developer of motions database to clean up titles. Cost approximately $200.

Intent: to clean up our motions database so we have a limited number of committee descriptions, making search easier. Comments: We have to provide a list of what is currently there and what we want it to be to the developer. This means things like CoDA board, Coda board of trustees, trustees - all become board. This will simplify the search when using the database. This will also give anyone who inputs motions a simple list of what to put in the line for what committee/board, so it remains consistent going forward.

*Motion 4 - Move that we direct SOS to purchase the following domains from GoDaddy:
CoDA Service Items

codependentsanonymous.com;
codependentsanonymous.net; codependentsanonymous.info for a period of 5 years each for a per domain cost of $12 a year,

*Motion 1 – Motion to hire CJ as Web System Administrator for a discounted monthly fee of $3500/month for 50 hours of effort, to include two reports a month and meetings with the board.  
*Motion 2 – Motion that we authorize Zach to set up the two alias accounts Linda has requested for use with the two fellowship forums.

In this way, the Board will be prepared to greet the Delegates who come to conference.”  
*Motion 4 – Motion to restore the original configuration of the Board created CoDA Service Conference Preparation Work Group. The members of the first CSC Preparation Work Group were: the List Keeper, the Events Chair and the Issues and mediation Committee Voting Entity Liaison. Each of these CoDA entities send many pre-conference emails to delegates and fellowship. The purpose of the Work Group is for these entities to coordinate emailing to eliminate email duplication and email recipient fatigue. The Events Committee places these local representatives on the Events Committee prior to Conference.

Eliminate contractors providing their business address as the CoDA address, as that causes confusion and creates the appearance of mission creep.

*Motion 7 - Move the current Email List Coordinator and Administrative Assistant positions be returned to their former Eighth Tradition-related title of CoDA Fellowship Service Worker. Old Business
1. Website Update
Linda reported that the website is still being worked on. Board requested to see the website changes before the developing process starts. There is an ongoing issue with access to the current website. It is being looked in to for a resolution.

2. CoDA Historical Documents in Dropbox
Old documents pertaining to the development of CoDA have been scanned and added to a Dropbox folder for the Board’s review. There are still many more documents to be scanned, as well as cassette tapes to be transcribed. A Board member expressed interest in turning these documents into a digestible report in the future.

3. New Travel Reimbursement Policy
The Board held a meeting with the Finance and Events Committees to discuss what extra travel days qualify for reimbursement under the new policy.

4. Events/CSC2019 Update
The Board is still preparing for CSC. Ten Delegates will be able to attend and vote at CSC through Zoom, a video communication platform.

5. New Financial Reports/Executive Dashboard
A Board member and SOS worked together to create a dashboard that provides visual reports about the standing of CoDA, as well as a Budget versus Actual projection report for the year.

New Business
1. Update on PSA Project
When the Board met in Phoenix, they agreed to produce a PSA in English and Spanish to be ready before CSC. The intent is to be CoDA endorsed and something that everyone can use to share the message of CoDA. It is not a promotion, just a tool to inform that CoDA exists.

2. Discussion of Strategic Planning Session with Fellowship at CSC 2019
The Strategic Plan will be a brief part of the Board presentation. The Board will also host a meeting where everyone is welcome to be involved in the discussion and moving forward process of the Strategic Plan. The Board would like for the local Fellowship and any Delegates that would like to join, including Zoom Delegates, to be a part of this meeting.
