3. Briefly explain the qualities and/or experience you want to bring to the CoRe Board.

I’ve done service work for CoDA for many years. I started in Outreach Committee and worked there until Spanish Outreach became a standing CoDA committee. My service in Spanish Outreach was one of providing information to Spanish-speaking Codependents in the US and throughout the World. I worked in Spanish Outreach for a period of approximately 1- 5 years; there was a need for Spanish-Speaking members in the Translations Committee (TMC) and I joined TMC and worked with them until I joined the CoDA Board of Trustees in 2017. I worked as Board Secretary for a year a half then resigned for health reasons. My health improved and in Sept, 2019 I was elected Secretary to the CoDA-Florida State Assembly where I am currently serving my two years term. I joined the CoRe Board July 2020 as a Spanish Liaison. I enjoy doing service work for CoDA; it provides a prime opportunity to practice putting principles before personalities. Service work keeps humble and helps me focus on honoring our Service Concepts and our Traditions, specially Traditions One and Five – “ Our common welfare should come first; personal recovery depends upon CoDA unity; - Each group has but one primary purpose -- to carry its message to other codependents who still suffer.”
