Outline the qualities, experience, and skills you want to bring to the CoRe Board including: past and present CoDA Service work, software applications, and/or professional skills such as finance, administration, printing, etc.

Qualities:
 I believe the best quality I have is my commitment to my recovery and the willingness to do service.

Experience:

I believe the most valuable experience I bring to the CoRe Board is the Recovery I have gleaned as a trusted servant while doing CoDA World service.

Past & Present Service work:

I have done local service: leading meetings, treasurer, secretary, key holder, contact person. I participated in the Voting Entity of SoCal from 2009 through 2017, and was on SoCAL board for several years and held the position of Delegate to CSC from 2012 to 2015. In CoDA World Service I was on the following committees; IMC, Finance, Pro Outreach Task Force, I held the Chair position on IMC, I was on the Events Committee as their Vice Chair, in 2016 was elected to CoDA Board as an alternate. I participated on the SoCAL Conference Committee for two consecutive years. I was on the CoRe board from 2018 until 2021 (when I took a medical leave for a few months).

Professional Skills:

My business skills vary, I used a computer in my last job, that included familiarity with Excel spreadsheet, and Word. I also was the head of my department and worked well with the other employees.

I am excited and eager at the possibility of returning to the CoRe Board for another three-year term.
