past and present CoDA Service work: **In my 40 yrs of recovery (31 in CoDA) I have volunteered and done service for my face to face meetings in Virginia as a GSR, also Coordinated the VA Intergroup. Followed by national and international service work. I have served as a: Group service representative [GSR for AFM CoDA meetings (phone) 2013 -present. World Communications Committee Chair. (2017-2020) I have attended (5) International CoDA Service conferences. (3) face to face and (2) virtual. I have never served as a board member.**

---

**My software and technology skills are in equal measure to my experiential use. I graduated from college 1994 and have held several professional jobs where I mastered the technology required to perform my assigned duties.**

**My career resume is long and varied. My most recent post retirement employment at a local grocery store was in the perishables dept. I'm a people person and love any service paid or not where I can communicate with another human being. My early career was in printing and publishing and involved type setting, editing and format composition. I loved the printing industry. It's in my DNA. I left the labor force for a college degree. I feel confident in my abilities to rise to the requirements and needs of the Publishing arm of CoDA. I do know my limits and abilities and I am able to communicate my boundaries.**
